

Whiteboard Novelio® Magnet Magnetic wallcovering

Transforms any regular wall into a magnetic board.

Magnetic glass fibre wallcoverings make your walls magnetic.

They are either paintable (easy to maintain and offer similar performance to our Classic wallcovering range)

or ready to use which is ideal for beamers and white board markers.

Perfect solutions for meeting rooms, offices, retail, childrens bedrooms and classrooms.

– **Durable:** The magnetic performance remains the same even after several layers of paint

– **Power:** It will fix up to 25 sheets of paper using our magnets
